

Bay Schools Commencements This Weekend

Illegal Water Use Said Endangering City Swimmers, take heed

Had a fire broken out in a Bay St. Louis building last week it would have stood a good chance of burning to the ground—for one reason. Many local residents are endangering their lives and neighbors' safety by breaking a city ordinance prohibiting watering lawns except at specific times.

City Commissioner J. Cyril Glover said that Wednesday night the city had four pumps working and still the fire department had been called to quell a blaze it would have had a hard time succeeding.

A city law says that lawn sprinklers and hoses can only be used between the morning hours of 7 and 9 and in the evening from 5-7. "This law must be and will be enforced," Glover said.

Many residents throughout the city are letting their hoses run throughout the day, cutting the water pressure critically, the Commissioner said.

MAN DROWNS IN PASS CHRISTIAN CRAFT HARBOR

A 51-year-old Pass Christian man, Peter J. Monteleone, was found drowned early Monday morning in the Pass Christian small craft harbor.

Harrison county sheriff J. J. Wittmann said witnesses told him that Monteleone was reported missing Sunday afternoon. His body was recovered Monday about 8 a.m.

It was reported that Monteleone was last seen sitting in a chair aboard a boat in the harbor. Later Sunday afternoon a chair was seen floating in the harbor and a search instituted for the missing man.

A Harrison county coroner's jury attributed death to accidental drowning.

The body was taken to New Orleans for services.

CHURCH FAIR PLANS MADE

The Reverend M. J. Costello announces that plans are being made to have the Annual church fair of St. Claire's Catholic Church, Saturday June 16 and Sunday, June 17, on the church grounds.

Mrs. E. D. Carriere is general chairman and will announce. Chairmen and workers of various booths later.

Three Mishaps In Co. On Weekend

Three Hancock county automobile accidents over the weekend were reported by Highway Patrolman William K. Kenny. While property damages were estimated at \$825, there were no serious injuries.

Saturday morning at 11:30 a Bay St. Louis youth, J. E. Lolacano, 14, was the driver of a Ford station wagon which was sideswiped in a minor accident near the Trailways, four miles west of Bay St. Louis on Hwy. 90. The patrolman said that Lolacano was traveling west and attempted to turn left into the truck stop. Lolacano's station wagon and a car driven by Robert E. Session, 51, Mobile, going east, sideswiped. The left side of the Ford suffered close to \$200 damages, while Session's vehicle suffered around \$75.

Thirty minutes after midnight Sunday morning a Pass Christian man hit a parked car on Hwy. 11, one mile north of Santa Rosa. A man C. Kromberg, 19, Charleston, S. C., a Tulane student, suffered auto-trouble when the drive shaft on his car fell out while he was traveling north to Pass Christian. The wheels locked with the car being caught half on the highway. Kromberg left his driving lights on and went to summon aid. H. Marks, 75, Picayune Negro, was driving south and on attempting to pass the parked car an unknown vehicle ran Marks into Kromberg's car. Damages were \$175 to the Tulane student's car and \$75 to Marks.

A Sunday afternoon accident occurred around 3 o'clock on Hwy. 90, 11 miles west of Bay St. Louis. N. Peter Lora, 37, New Orleans, was driving a pickup truck west loaded with Boy Scout equipment, and his son and a friend up front when on attempting to pass a car behind Lora blew warning that he was passing him. Lora pulled back into the right lane quickly and went off onto the shoulder of the road, turning over twice. Patrolman Kenny said that a over \$300 damages were caused the truck.

Tickets Available For Play Here By N. O. Group

Tickets are available to the public at deMontzulin's Drug Store, or from any member of the Board of the Bay St. Louis Little Theatre for Saturday night's presentation of "Anastasia."

For the first time, a New Orleans Little Theatre Group will present a show on the Coast.

"Anastasia" which has just completed a successful run of several weeks at Le Petit Theatre de Vieux Carre, will be presented here, with the original cast, an entire production personnel from New Orleans.

Members of the cast have years of acting experience, many with professional training, and the production staff is so expert in its technique, that it is a great opportunity for residents of the coast to be able to attend a performance given by this group, particularly since the show will not be restricted to membership.

Legion To Send Local Youths To Miss. Boys State In Jackson

The local American Legion Post will send two boys to American Legion Boy's State in Jackson, May 26th - June 2nd, it was announced today by Post Commander Sidney L. Bourgeois.

Selected to attend the outstanding citizenship program were Wilbert L. Argus, sponsored by the local Knights of Columbus Council and Wayne Alliston, Jr., sponsored by the local Rotary Club of Bay St. Louis.

This program, sponsored by the State Department of the American Legion, is designed to teach high school Juniors the obligations of a citizen by having them learn how State, County and City governments are carried on by actually electing their own officials, and taking over the State, County, and City offices for three days in the State Capitol. Bills are introduced, debated and passed in both houses of the Legislature, and mock court trials are held in the county court.

These activities are supervised by State, County and City officials.

VANDALS WRECK EQUIPMENT AT DAY SAND BEACH

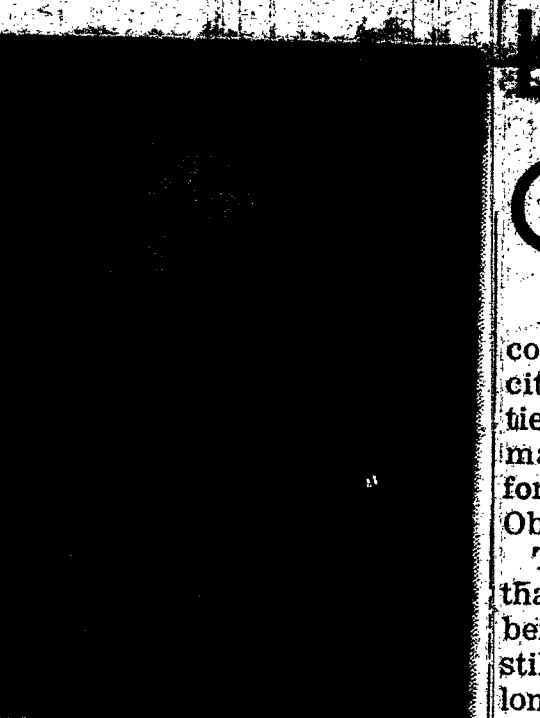

Vandals last weekend destroyed several spans of the pier and damaged the benches and swings. Mrs. Tudury, chairman of the Parks and Playgrounds Commission, told the ECHO this week.

Eight spans of the pier were wrecked Thursday night of last week, Mrs. Tudury said, with rails, floorboards and braces being removed. The pier was repaired Friday morning, and again was damaged Friday night.

One of the baby swings was dismantled Monday night, and boards were taken from benches.

Mrs. Tudury said five boys from Bay High School had admitted the vandalism and had agreed to pay for the damage. She said that any recurrence of the law by the Parks and Playgrounds Commission.

Wayne Alliston, Jr., sponsored by the local Rotary Club of Bay St. Louis.

WAYNE ALLISTON

ed by State, County and City officials.

These boys, along with some three hundred other boys from high schools all over the state, will be housed at Hinds Junior College just outside Jackson.

At the close of the 15th Session, two boys will be elected to represent Mississippi at Boys' Nation in Washington, D. C., July 20-27.

SWIMMING CLASSES

Red Cross swimming classes for beginners and intermediates will be held June 4-11 at 904 A.M. at Breath's Beach.

Miss Katherine Benigno will be the instructor. Those interested may phone the Red Cross office, phone 67.

Mrs. T. Bourgeois Dies Yesterday At St. George Home

Mrs. Eva Raymond Usher Bourgeois, 40, died in her sleep yesterday morning at her residence at 207 St. George St.

A life-long resident of Bay St. Louis, she was the wife of the late Thomas J. Bourgeois, Jr., who died in December, and daughter of Mr. and Mrs. Jake Usher, Clermont Harbor.

She was discovered at 10:45 Thursday morning by her father. A coroner's jury attributed death to natural causes.

Funeral arrangements, being handled by Fahey Funeral Home, are incomplete, but tentatively set for today.

Mrs. Bourgeois is survived by one son, T. J. Bourgeois, III, Mobile; one daughter, Mrs. Joycelyn Coludovich, Bay St. Louis; two brothers, August Usher, Bay St. Louis and Clarence Stricker, New Orleans; and two grandchildren.

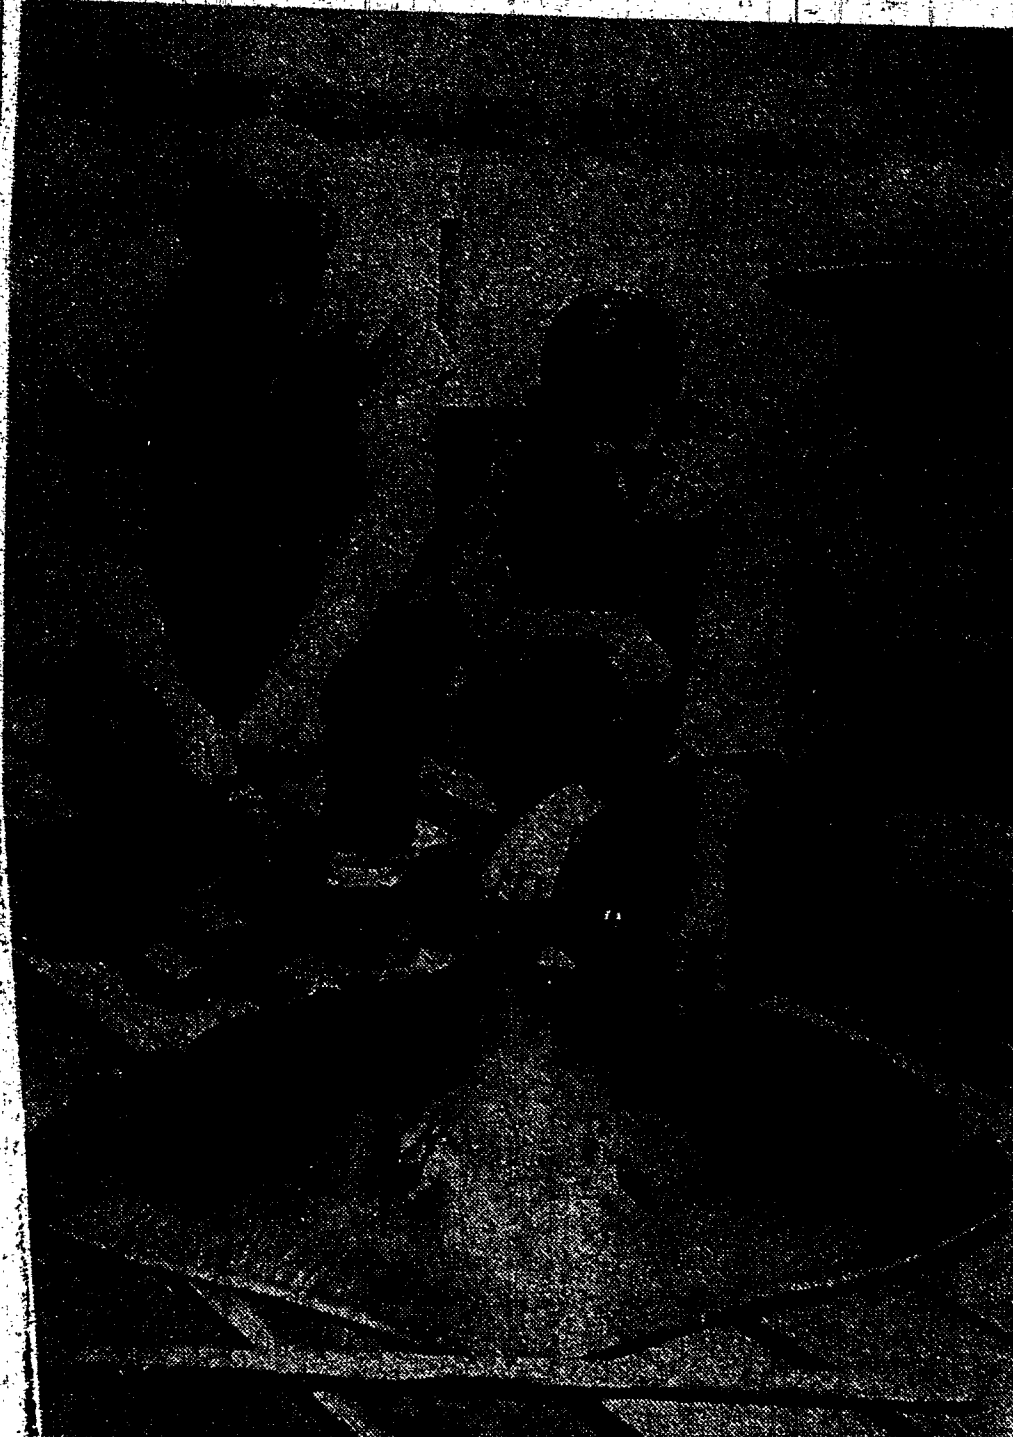

Local Personnel Needed For County Ground Observer Corps

A single Russian air raid could bomb top United States cities with millions of casualties, stated Mrs. Esther Oschmann in her plea for volunteers for the Hancock county Ground Observer Corps.

The publicity director stated that while radar networks are being operated, ceaselessly it still has "gaps" which 1,000 long-range bombers could sneak through—and added that only human eyes can give America notice of an enemy attack.

Warning is the keynote of director, said that classes will begin next week for volunteers Army and-aircraft batteries and for local GOC posts. A complete program and schedule will be given in the June 1 edition of the Sea Coast Echo.

Persons 16 years of age and over can donate time to the GOC are urged to contact Ken Whitfield at civil defense headquarters, telephone 331; M. L. Hill, GOC supervisor, at the Globe Laundry, telephone 160 or Mrs. Oschmann at Fahey Drug Co., telephone 30.

BIG STINGRAY—A 100-pound stingray, or sting ray, four feet long and three feet wide was caught by, from left, Frank Schoonmaker, Joseph Hill and Angelo Gullano, all of Bay St. Louis, Wednesday on the end of the Municipal Pier at Ulman Avenue. The trio hooked the sea creature on a gar line and within a half hour landed the sting ray. They said its tail measured three feet and four inches.

Legion Aux Poppy Day Is Saturday Scout Leaders Meet

Tomorrow will be Poppy Day here and throughout part of the nation. The day will see millions of Americans wearing bright red poppies in tribute to those who have given their lives in defense of the nation.

Poppy Day activities here will start early tomorrow morning when volunteers organized by Mrs. Nellus C. Rhodes, local Legion Auxiliary Poppy Chairman, will be out with their baskets of poppies to greet citizens on their way to work. Before the day ends, they hope to see the little red flower of remembrance glowing on every lapel.

Contributions for the Auxiliary work for disabled veterans and needy children of veterans will be received by the Poppy Day volunteers. These contributions form the major source of support for the Auxiliary's rehabilitation and child welfare programs. All money contributed, over the cost of the materials and the wage paid when volunteers organized by Mrs. Nellus C. Rhodes, local Legion Auxiliary Poppy Chairman, will be out with their baskets of poppies to greet citizens on their way to work. Before the day ends, they hope to see the little red flower of remembrance glowing on every lapel.

Girl Scout leaders and members of the Neighborhood Association of Bay St. Louis met Tuesday, May 11, in the Methodist Annex.

Mrs. Catherine O'Neal gave a report on the nominating committee's selection of officers for the coming year, which is as follows:

Chairman, Mrs. Burch Sharp; Vice-Chairman, Mrs. J. V. Colson; Secretary, Mrs. T. E. McAuley. This slate of officers was accepted by the members present, and will be submitted to the Board of Live Oak Council in Gulfport for final approval.

Mrs. A. N. Peirce gave a report on the Camp Committee meeting held in Gulfport on Tuesday, May 8, and stressed the need for eligible Day Camp leaders.

The Court of Awards was discussed and plans were made for the coming year. Girl Scouts were also asked to participate in the Armed Forces Day Parade.

Bystander Dies As Shots Fly In Alleged Man-Wife Altercation

A 72-year-old Pass Christian visitor was an innocent victim of a domestic quarrel Saturday night and died the following morning in New Orleans from a bullet wound received when a woman allegedly fired a gun at her husband.

Mrs. Marie Nicholas, 2446 Royal St., New Orleans, was pronounced dead at 8:20 Sunday morning at Charity Hospital. An Orleans parish coroner of death report stated she died of gunshot wound of the abdomen, and expired in shock from loss of blood.

The victim was strutting on the opposite side of the street with her cousin, Mrs. Laura Fernandez, Pass Christian when the wild shot struck her.

Mrs. Woodcock was freed Saturday night on bond of \$1,500; however Sunday it was raised to \$2,500 when manslaughter charges were filed.

Services were held Monday in New Orleans for Mrs. Nicholas. Among survivors was Mrs. Lillian Davison, Pass Christian, the victim's only sister.

MEMORIAL SERVICES

Memorial services will be conducted Wednesday May 30 at St. Mary's and Cedar Rest Churches by the American Legion and Auxiliary. Services will start at 2:30 p.m. and Mass will be held at 4:00 p.m. All members are asked to be present.

HONORED MARINERS—Judy Hatten and Mary Hatten have been awarded the Purple Heart medal in recognition of their service in the U.S. Navy during World War II. Both girls, shown above, are members of the Marine Scout Troop 1 of Bay St. Louis.

Parties Honor Bride-to-be

Miss June Breath, a bride-elect of June, was entertained at two parties in Hattiesburg on May 17.

Mrs. L. A. Rogers entertained at an afternoon tea at her home. The reception rooms were decorated with arrangements of white daisies. The dining table, covered with an imported white linen cloth, was centered with a similar bouquet. White tapers in silver holders were used on either side and punch was served from a silver punch bowl.

Among the guests were classmates of Miss Breath's from Mississippi Southern College.

That evening, Miss Breath was guest of honor at a kitchen shower given by Mrs. J. O. Mayo at her home. Striking arrangements of summer flowers were used throughout the home. An ice course with coffee was served to the seventeen guests.

Pre-nuptial parties in Miss Breath's honor in the future will include a miscellaneous shower at the Bay-Waveland Yacht Club on June 5 by Mrs. Dan Russell and Mrs. J. E. Local Girl Scouts To Attend Michigan Fete

Cleta Kay Miller, Bay St. Louis, a member of Mariner Troop 1, Mrs. Don Chamberlain, leader, and Barbara Allen, Pass Christian, member of Long Beach Mariner Troop, have been selected to represent the Live Oak Girl Scout Council at the National Girl Scout Senior Round-up near Pontiac, Mich.

Celeste Chevis, of Bay St. Louis and Mary Robertson of Gulfport are alternates.

Mrs. Paul Miller has been chosen to serve on the adult staff and will act as chaperone on the special train which will take the girls to the Round-up.

Selected on the basis of their camping skills and knowledge of Scouting, the girls have been practicing "primitive camping" techniques during the winter months. Final overnight practice camp was held at Camp Wilkes on May 12.

Taking their own tents and camping gear, the Live Oak Girl Scouts will live outdoors for two weeks at the Round-up tent city. Their nearest neighbors, girls from Biloxi and Mobile, will join the Live Oak Girl Scouts in setting up a troop camp site, cooking meals and sharing in the Round-up Americana activities.

According to Mrs. C. C. McDonald, Chairman of the Live Oak Council, purpose of the Round-up is to give teen-age girls an opportunity to broaden their horizons by meeting and working with girls their own age from all parts of the nation.

The Senior Round-up will be held at the Highland State Recreational Area in Michigan from June 29 to July 11. The first large national encampment to be held by the Girl Scouts, the Round-up will be attended by 5,000 teenage girls and their leaders from all parts of the United States and by six teams of girls from other countries.

Impound Two Hogs For Violation Of Local City Ordinance

Two hogs have been impounded in all dogs found at large on city streets after June 1.

Richard Johnston, pound keeper, said that eight dogs were destroyed Tuesday. He said that dogs found that do not have tags will be kept 3 days and then destroyed. The keeper said that all animals except cats will be picked up by his department.

Last week the city declared war on dogs running at large and Mayor John Scaife ordered the city pound keeper to make a concerted effort to take

Kiln Baptist Church News

Sunday services at Shifalo Memorial Baptist Church in Kiln, will begin with Sunday School beginning at 10:00, and the preaching service at 11:00. The Rev. R. L. McNamee, pastor, will bring the message.

At 1:00 p.m. every Sunday, a radio program is presented over Station W.D.E.B., in Gulfport. This program is put on by members of the church and the pastor brings the message. A great blessing can be got from these programs as they are presented from God's word especially for you, the listeners.

At 6:30 each Sunday evening, Baptist Training Union begins. Harvey Thomas, Director, announces that each Sunday evening a great lesson is learned from the programs presented by the members.

Preaching service begins at 7:30 with some good congregational singing and then the pastor brings the message.

Midweek Prayer Meeting is held each Wednesday at 7:30 p.m., where special requests for those who are sick, burdened or lost are made and prayed for.

Last Saturday night, a weiner roast was held at the church for members and their guests, where games were played and good fellowship was enjoyed by everyone.

Visitors are welcome to come be with us here in Kiln.

Demonstration Club Meets

The monthly meeting of the Home Demonstration Club was held May 17th at the home of Mrs. John Munch, Waveland with Mrs. A. Butz as cohostess.

Several of the members gave sketches of books and magazines recently published. The Educational topic of the month, "Women in Hawaii, Alaska, Puerto Rico," was given by Mrs. R. F. Gray. Mrs. Ida L. A. Garraway, Hancock County Home Demonstration, gave a demonstration of the type of accessories worn with the different costumes of the countries mentioned.

Fire Damages Kern School

A 15-minute fire completely destroyed the Kern School stock house Monday night at 925 West Beach Blvd., Pass Christian. The fire was spotted around 10 o'clock but when Pass Christian firemen arrived a few minutes later the blaze was beyond control.

Albert J. Kern, headmaster, estimated the loss at close to \$10,000. In addition to supplies the stock house also held many personal possessions of the headmaster and Mrs. Kern.

GS Court Is Held

The Spring Court of Awards for Girl Scouts of Bay St. Louis was held Tuesday, May 15, in the Gym of St. Joseph Academy at 7:30 p.m.

Mrs. Paul Miller, President of the Neighborhood Assn., welcomed those present and praised the Girl Scouts for their accomplishments during the past year. The program continued as follows:

Choral Reading about America by Troops No. 1 and 3—Mrs. Dan Chamberlain, and Mrs. J. J. O'Neal, leaders.

Brownie Awards given by Brownie leaders, Mrs. Marion Beal, Mrs. Felice Brown, and Mrs. J. V. Colson.

Percentage count for Honor Banner which was won by Mrs. J. V. Colson's Brownie Troop No. 7 for having the most girls in uniform and the most mothers and fathers present.

Intermediate and Senior Troop Awards given by Mrs. Farley Day and Mrs. Don Chamberlain.

Folk Dance presented by Brownie and Intermediate Scouts.

Scout Songs accompanied by Mrs. J. B. Goldman at the piano.

At the close of the program Mrs. Miller expressed her appreciation to the Girl Scout leaders for their efforts during the past year and presented each leader with a gardenia corsage.

Eugene H. Walet III, Gulf Coast area sailing champion, and two companions were arrested Saturday night near Covington, La., and booked for investigation of car theft, St. parish deputies said Sunday.

The 20-year-old racing star is scheduled to represent the United States in the Olympic Games dragon class sailing competition this year in Melbourne, Australia.

Walet has won many championships in the Gulf Yachting Association, and has raced with the Bay-Waveland Yacht Club waters as his home course.

William H. Murray, 21, and John N. Brignac, 22, were released on \$750 bond each along with Walet.

Alliston Hurls 4-Hitter To Spark Bay Win

Behind the four-hit twirling of Wayne Alliston, the Bay St. Louis Juniors subdued the Pass Christian Juniors 11-3 Sunday afternoon at the Pass Christian Memorial Park.

The win was the Bay nine's second of the season as they had earlier defeated the Pass squad 5-3 in an extra inning affair.

Bay St. Louis jumped to a quick lead in the opening frame by tallying five runs—then turning the show over to Alliston.

Donald Strong, Bay's captain and third sacker, was the games' leading hitter, collecting a single and double. However it was Pass' McCall Schuff, a four and a half foot fielder, that got the game's biggest blow—a sixth inning triple.

Floyd Logan hupled the contest for Pass Christian, and collected one of the few singles while Pete Stegna whammed out two singles.

Bay St. Louis is scheduled to meet the Kiln Youth Center Sunday afternoon in the first appearance for the Kiln lads.

Logan, captain for Pass Christian, said that his team will host the Gulfport Juniors in a Sunday afternoon game set for 2 o'clock at Memorial Park.

Score by innings: R H E
Bay St. Louis 502 103 0-11 9 3
Pass Christian 000 102 0-3 4 10
Winning pitcher: Alliston (1-0)
Losing pitcher: Logan (0-1)

COLMER TO SEEK RE-ELECTION

Congressman William M. Colmer, Democrat of Mississippi today announced that he would seek re-election to the Congress from the Sixth Congressional District of Mississippi in the Mississippi Democratic primaries in August.

The veteran Mississippi Congressman, 55, Dean of the Mississippi Delegation, is the ranking Democrat on the all-powerful Rules Committee, a member of the National Forest Reservation Commission, and the leader of the Southern bloc in the House of some 80-odd Southern Congressmen originally set to oppose the Civil Rights and integration proposals.

In a brief statement Mr. Colmer said: "I reiterate my earlier public statement that I will seek re-nomination and election in August primaries, as a Member of Congress from the Sixth Congressional District of Mississippi. The next two years should determine whether the forces which have set out to destroy the Southern way of life will prevail. If given the approval of my people, I will continue during the next two years my all-out opposition to these efforts to destroy the sovereignty of our states. At the appropriate time, I shall make the customary formal announcement of my candidacy."

Kiln Youth Center to Open Season Sun.

Kiln's Youth Center officially open their baseball season Sunday afternoon when they pit their talents against the Bay St. Louis Juniors. Kiln captain Larry Ladner said the game is set for 2 o'clock and will probably be played at St. Stanislaus Stadium. However, a change of site may be the Carroll Avenue Park.

IS GRADUATED FROM PIPELINE SCHOOL

Pvt. James R. Carter, son of Mr. and Mrs. James A. Carter, Route 1, Pass Christian, recently was graduated from a pipeline installation course at Fort Leonard Wood, Mo.

Carter was trained to lay pipe, repair pipelines, operate pumps, erect oil tanks and deliver oil on tank cars.

The 18-year old soldier entered the Army last September and received basic training at Fort Chaffee, Ark.

County Agent Notes

GENERAL INSECT CONTROL

Some farmers who fail to control insects stand a good chance to heavy losses. As a farmer, you cannot afford to neglect controlling insects. If you do, don't expect to make maximum profits.

Plans should be made at once to help insure your yields by getting ready to control bugs.

Guard against using too much insecticide. There is no need to use too much recommended amounts are ample for the specific job for which they are recommended. Using too much costs more and increases the danger of harm to the applicator or the crop.

POULTRY

Now, when young birds are about ready to move to the range, is a good time to immunize them against fowl pox. Most producers recognize the importance of this immunization, but many forget to do the job.

Often when invaccinated pullets begin production, pox breaks out and egg production either declines or stops entirely.

While pox seldom causes death, in severe cases the birds must be destroyed. At best, it takes six to eight weeks for the flock to get back into full production.

The cost of the vaccination is small and any poultryman can do the job if he will read and follow the directions that accompany the vaccine.

The usual age for vaccinating

Feed during the dry period should supply the needed minerals and energy with only enough protein to satisfy body maintenance requirements. Be sure that she has an opportunity to store up a reserve supply of minerals.

You will want to condition and strengthen the cow for freshening. Not encourage a heavy milk flow just before or after calving. This is the reason for the low protein feed requirements.

Remember, it is good business to take care of the dry dairy cow. For more information on proper care of the dry dairy cow, see your local county agent.

Are the hornflies getting into your pocket book? Maybe not literally but unless you are keeping them off your cows, you are losing money. When in heavy infestation, these hornflies will take a half pound of beef grain daily, or cause a drop of 25 percent in milk production. It is good business to control them, and the job is not hard to do.

Of course you can spray your cattle for control. This is much more practical for the dairy farmer than for the beef cattleman.

See your local county agent for directions on constructing a

Entered as Second Class matter at the Post Office at Bay St. Louis, Miss., under Act of March 3, 1879.

In our old home town there used to be a town marshal that they called "Rainbow." While we couldn't vouch for the veracity of this tale, the way the old timers tell it he came by his name like this:

It seems a slight altercation arose in a local bistro one quiet summer afternoon. The inkeeper, a peace-loving man, implored the participants to cease, but one thing led to another, and before long the place was in a turmoil. As customer after customer joined the fray, it began to appear that the drinking establishment soon would become the worse for wear. The proprietor, finally reaching the end of his patience, ducked two flying bottles and a bar stool and reached for the telephone to summon the town marshal.

The barkeeper related his dire plight to the law officer, and urged him to quell the disturbance post haste. The marshal pledged his immediate assistance, but as the afternoon wore on and the supply of unbroken crockery wore thin, the marshal had as yet failed to put in an appearance. Two more calls to the marshal's home produced assurance that the marshal was on his way, but produced no marshal.

In desperation, the harassed dispenser of good cheer finally called the mayor. The mayor, while a gentle man, and kind to dogs and little children, nevertheless was a burly chap, and able to give good account of himself when the need arose. The mayor immediately put in an appearance at the tavern, and paused a moment on the threshold to plan his campaign. Then he armed himself with a fragment of broken packing case, and assisted by the proprietor, who chose as a weapon a bungstarter, the mayor led an assault on the rioting roisters.

As the last piece of flying debris settled to the floor and the panting mayor and inkeeper stood in the center of the floor, astride the bodies of their erstwhile adversaries, the marshal chose to make his belated appearance.

"Having some trouble here, Mr. Mayor?" he queried.

The mayor eyed his minion of law and order through the settling dust. "Marshal," he said, his clear voice breaking only a little, "you're just like a D!@*N rainbow—you only appear after the storm's over!"

And he's been "Rainbow" ever since. Anyhow, that's how the old timers tell it.

ATTITUDES AND CAREERS

Very little is known about the relationship of attitudes to careers. A recent Department of Defense study, conducted by Public Opinion Surveys, is enlightening although its validity is difficult to assess.

The data for the survey was gathered by interviewers who covered two groups—adults and teenagers. Boys and girls, men and women, were asked to indicate the relative desirability of each of 19 careers.

Here is the way the two groups rated the first ten careers:

- ADULTS**
- (1) Physician
 - (2) Scientist
 - (3) College Professor
 - (4) Minister or priest
 - (5) Lawyer
 - (6) Public School teacher
 - (7) Officer in armed forces
 - (8) Farm owner or operator
 - (9) Carpenter
 - (10) Radio or television announcer

- TEENAGERS**
- (1) Physician
 - (2) Scientist
 - (3) Lawyer
 - (4) College professor
 - (5) Officer in armed services
 - (6) Minister or priest
 - (7) Radio or television announcer
 - (8) Public School teacher
 - (9) Farm owner or operator
 - (10) Owner of a small store in a city

It is interesting to note that both groups rated scientists second as a choice for a career. This would indicate that young men and women are flocking to our colleges to take courses in physics, chemistry and mathematics. Unfortunately, the reverse is true. The shortage of scientists in this country is alarming. It constitutes a potential threat to our national security.

At present, only half of the top third of our high school graduates go on to college. The serious loss of the future intellectual and scientific resources of the nation represented by those qualified students who fail to continue their education is one of the problems that must be solved.

The president of the United States recognized this fact recently by appointing a 19-man National Committee for the Development of Scientists and Engineers. The National Science Foundation, the Manufacturing Chemists' Association and several other organizations, as well as many individual companies, are attacking the problem on a broad scale. A solution must be found, for scientific manpower is a critical resource, a precious commodity.

SOUTHERN SAMPLERS

By CHRISTOPHER BELL

The Chicago Tribune carried as a true news item a story about a woman driver that just about tops them all.

It seems that a man and his wife were trying to start their car, with a great deal of "charr, charr" and not much else. Finally a lady driver pulled alongside and offered to give them a push.

"Thank you," said the man. The last I heard was the one gratefully. "But you'll have to about the Austrian lady that he's going about thirty-five or decided to buy a town house in forty before she'll catch. It's Vienna and was much impress-one of those new transmissions." ed by a new builder's even

The woman hesitated a fraction of a moment, and then agreed, and the man got back in his car and got set for the push while she backed her car to come up behind him.

He waited and waited, staring patiently ahead. Finally he turned around to see what she was waiting for and there she was barreling down the road towards him at a forty mile clip.

Last thing that he thought before she hit him was that it wouldn't cost more than three hundred dollars.

The Viennese, have a name for these little contre-temps, probably because they are so often encountered there.

IF YOU WANT TO GET OUT OF THE ORDINARY...

Get into an Olds!

THERE'S A POWERFUL DIFFERENCE BETWEEN AN OLDSMOBILE 88 AND THE OTHER LOWER-PRICE CARS!

IF YOU WANT A CAR THAT'S REALLY DIFFERENT... you want OLDSMOBILE! This budget-priced '88' not only has big size and prestige but it rides and handles like a big car. There's big-car power and performance, big-car style and beauty that make it a standout... anywhere!

POWER? This one packs a punch that tips you ahead of ordinary cars. You see, the Rocket Engine is a high torque,

9.25 to 1 compression power plant that's got what it takes in every driving situation! Better still, there's new Jetaway Hydra-Matic* to deliver mighty Rocket Engine power in a swift sweep of motion.

STYLE? You can stack this big beauty up against any of them! From double-duty "Intagrille" (two front bumpers in one) to the tapered flair of taillights, this Olds has looks that will last and last.

*Standard on Series Ninety-Eight; optional at extra cost on all other series.

BAPTISTS BELIEVE...

CHRIST IS THE ONLY WAY TO HEAVEN

Have you ever lived at the end of the road? From such a place there is only one way out. The man who has sinned is at the end of the road in his personal life. For him there is only one way out. Repentance is the only road to peace and forgiveness from sin; it is the only escape from eternal punishment for sin. Christ warned that "Except ye repent, ye shall all likewise perish" (Luke 13:3).

How can we "repent and believe" as Christ demands? To repent, we must change our minds toward sin, toward ourselves, and toward God. We must turn from sin, and trust in Christ to bring forgiveness for our sins. When any sinner responds in repentance and faith to God's offer of salvation through Christ, God works a miracle in his heart. This miracle the Bible calls a "new birth" (John 1:12-13 and John 3:7). This transformation makes an individual a "new creation in Christ." The Apostle Paul wrote: "If any man be in Christ, he is a new creature; old things are passed away; behold all things are become new." (Corinthians 5:17).

Do you want to know the rule that sin brings? Then turn to Jesus, who said of himself, "The Son of Man is come to seek and to save that which was lost" (Luke 19:10).

"God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." (John 3:16). Man becomes a Christian when he puts sin out and puts Christ in at the very center of his life. There is no other road to take.

When we see how much God loves us we begin to see our sins and realize how much we need God's forgiveness. Our own experience confirms Paul's statement that "all have sinned" (Romans 3:23).

The prophet Isaiah who lived many years before Jesus, told us not only that all have sinned, but foretold the good news that God would provide his Son, Jesus, to bear for us the penalty of our sins. "All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him (Jesus) the iniquity of us all." (Isaiah 53:6).

Jesus offers you this salvation from sin as his free gift and as an expression of divine love. You may accept it today.

Are you refusing God's cure for sin that destroys spiritual life? He offers you eternal life on the simple conditions of repentance from sin and faith in the Lord Jesus Christ. Begin now with the prayer which Jesus promised God will understand: "God be merciful to me a sinner" (Luke 18:13). Believe. "Whosoever shall call upon the name of the Lord shall be saved" (Romans 10:13).

Waveland Festival May 16

Miss Cecile Turcotte

The twenty-second annual
May Festival of Waveland
School was held Wednesday,
May 16, in the school auditor-
ium with Miss Lynne Hall and
Terrell Bourgeois reigning over
a large and colorful court. Miss
Sally Yarborough and Eugene
La Fontaine were maid and
duke of honor.

From a background aglow
with stars and a large silver
moon, Miss Hall, the lovely and
gracious queen ruled over her
realm with much charm and
poise. She was attired in a
floor-length dress of white net
and lace over taffeta, with a fit-
ted, off-shoulder bodice of lace
lace trimmed with net ruffling,
the very bouffant skirt of net
was inserted with panels of lace.
Her mantel was of blue net
lined with taffeta, edged with
a small ruffling and sprinkled
with silver sequins. Her Crown
was of red American beauty
roses and she carried a silver
scepter with red roses.

Miss Yarborough, the charm-
ing maid of honor wore a floor
length gown of turquoise net
over taffeta, fashioned with a
tight fitting off-the-shoulder
bodice and a very full skirt. She
carried a cascade bouquet of
yellow roses and wore yellow
roses in her hair.

The other maids all wore
floor length dresses of pastel
shades and carried old-fashion
bouquets of purple and yellow
asters.

Kern Students Enjoy Cool Party

KERN KAPERS—The above scenes are from a school party at Kern School in Pass Christian. Three young ladies are shown in the top photo by the new tree house surrounding a large oak tree, which is used for barbecue parties. In the lower picture Kern students are enjoying a swim in the large 63-by-38 foot pool. Both the tree house and swimming pool are on property fronting 2nd St., which Mr. Albert Kern, headmaster, had acquired to be used by students in year round athletics. Mr. Kern announced that the property is equal to two city squares and has much lawn space with a large track of oaks and pines. Kern School, located in the 900 block of West Beach Blvd., does not adjoin the new property. Mr. Kern also stated that summer camp will be opening June 10 and will last for seven weeks. —Sea Coast Echo Photos

Former Resident Dies at Age of 103

Mrs. Catherine Suget Worsley, who June 4, would have been 104 years old, died May 13 in New Orleans after a brief illness. Born in Natchez, Miss., in 1852 at Arlington House, Mrs. Worsley was reared during the war between the States.

The Suget family was prominent in Natchez. Mr. Suget was well known as a Naval Officer and Planter. During the summer the family came to the Gulf Coast, spending considerable time in Bay St. Louis and Pass Christian. After Mr. and Mrs. Worsley married, they built a home on North Beach where the present Briggs home stands. Mrs. Worsley was noted for her many philanthropies, especially the welfare of young people.

Funeral services were held Tuesday, May 15 from the Faye Funeral Home with religious services at Christ Episcopal Church, the Reverend Durre B. Hardin, officiating. Pallbearers were Charles A. Breath, Jr., Roger Boh, Henry Chapman, Patrick McGinity, A. F. Capdepon, and George Horton. Interment was in Cedar Rest Cemetery.

There were no immediate survivors, but attending from Rustin, Louisiana were the Reverend and Mrs. J. Cathcart, the former Ar-

The college, a school of high military education for officers, was honored by the "Big Red One" division with a series of parades and artillery salutes. Henry, an aidman in Medical Company of the division's 16th Regiment, entered the Army in July 1953 and has served in Germany.

LT. CHAS. TRAUB III SENT BY NAVY TO PEARL HARBOR

Lt. (jg) Charles Traub III, United States Navy, on duty U. S. Cruiser Toledo, has been ordered by the Navy Headquarters in Washington D. C. to report for duty on Staff Commander-in-Chief, Pacific Fleet Headquarters at Pearl Harbor. Lt. Traub is the grandson of Captain Charles Traub, and a nephew of the Warren Traubs on Dunbar Ave.

Meda Del Bondio, made her home with Mrs. Worsley for many years.

The Bay High Band wishes to announce that it has completed its "Curtis" subscription drive, which it hopes to make an annual event.

As you readers are no doubt aware, the Bay High Band has been endeavoring to raise funds to pay for their long-anticipated band uniforms. The "Curtis" subscription drive was one of several projects that the band devoted, this year, to defraying the cost of their new uniforms. During the drive, over \$300 was taken in in subscriptions by the band members. Mr. Marcel La Nasa, the band director, and the band members who solicited subscriptions wish at this time to thank the many public-spirited people who stood behind the band in this project and supported it with their subscriptions. Incidentally, those people should begin receiving their magazines within four weeks.

At this time, we should like to mention that the highest salesman was Gayle Parker, a freshman at Bay High and a saxophone player in the band. Second highest salesman was Sheila Dillman, eighth grader; third place, Gary Burrow, seventh grader; and fourth place, Richard Schaefer, fifth grader.

Other band members taking part were: Mary Pahlman, Geraldine Bougeois, Gregory Necaise, Carl Gustafson, Call Higley, Ellen Allison, Sam Montgomery, Forrest Farve, Louis Palmer, Bill Forrest, Fellers Drury, Howard McCann, Joseph Henderson, Ronnie Russell, Wayne Ladner, Warren Traub, Jules Poolson, Virginia Bréland, Aline Hobbs, Lollie Frick, Bill Jennings, Edward Strong, Gaylon Strahan, and Dale Sells. Some of the friends of the band helped too. Thanks go to Rose Mary Saucier and Martha Allison from the Bay High Chorus and Jo Ann McCullough and John Rutherford from the sixth grade.

The graduation ceremonies for the eighth grade at Bay High school will take place on Thursday, May 24, 1956, at 8

p.m. in the auditorium of the school.

The program will open with the processional of the eighth grade graduates garbed in the traditional cap and gown, to the accompaniment of Franz Schubert's "Marche Militaire." Rev. A. M. Ellison will give the invocation.

Freda Perniciaro, as second highest graduate, will welcome the audience with the Salutatorian. Two numbers by the Elementary School members of the Bay High Band will follow: "Whispering Hope" by Hawthorne and "March" by Bennett. Next the class prophecy will be read by Carolyn Johnson, who had visualized what her classmates will be in 1966. Following the reading of the class prophecy, the eighth grade members of the Bay High Chorus, Martha Allison, Courtney Cowand, Carolyn Johnson, Rosanne Kingston, Mary Ann Pahlman, Judy Poolson, Rose Mary Saucier, Linda Sharp and Peggy Warren, will sing Jerome Kern's "Make Believe" and "Graduation Day" by Sidney Lippman.

This year instead of the usual Valedictorian Address, there will be two addresses because an unusual event occurred; two eighth graders tied at 95 for valedictorian. Bill Watts and Mary Ann Pahlman. Bill will deliver a talk on "American versus European Education."

Mary Ann will give the traditional farewell of the graduates, the Valedictorian Address. Mr. Joe McCullough, the principal, will present the diplomas to the graduates. Upon the awarding of the diplomas, the graduates will sing their class song, "Our Own School." The recessional, played by Mrs. Carl Smith at the piano, will close the program.

The roster of eighth grade graduates is as follows: Martha Allison, Malvin Burge, Floyd Christy, Courtney Cowand, Mary Alice Dahl, Sheila Dillman, Mary Catherine Dougherty, Myra Faye Duke, Gerald Farve, Eddie Jennings, Carolyn Johnston, Sylvia Johnston, Tommy Johnston, Rosanne Kingston,

BAY ELEMENTARY STUDENTS RECEIVE ATTENDANCE AWARD

Ground Tackle Vital To Safety

Of vital importance to boat safety, especially in the event of a sudden squall, is having proper ground tackle and using it correctly. The type and design of an anchor is the real criterion of its holding power. As a general rule, rather than sheer weight, the greater the scope of the ten-pound anchor properly used, the greater the holding power. A short piece of chain of another type or one used in-between the anchor and the properly used, heavy anchor should not be accepted generally as an emergency "heaved" overboard. For example, in hard sand, a 10-pound anchor will not hold as well as a 50-pound anchor. A short piece of chain of another type or one used in-between the anchor and the properly used, heavy anchor should not be accepted generally as an emergency "heaved" overboard. For example, in hard sand, a 10-pound anchor will not hold as well as a 50-pound anchor. A short piece of chain of another type or one used in-between the anchor and the properly used, heavy anchor should not be accepted generally as an emergency "heaved" overboard.

However, no anchor will hold in a blow. The important thing to remember in this connection is that it is far better to have your weight concentrated in one anchor, than divided into two. Behind this principle is a law that states that, for equal holding power, the square of the weight of a single anchor will equal the sum of the squares of the weight of two smaller anchors. In other words, one 50-pounder will hold as much as a 30-pounder and a 40-pounder combined.
